SELECTED EXPERIENCE

Analysis Group: Analyst, *prev.* Analyst Intern (Boston, MA)

Summer 2016, Jul. 2017 - May 2019

- Used a variety of programming languages and software to analyze economic and financial data from clients with statistical methods, working on both small and large teams amid tight deadlines
- Presented analytical findings to a variety of audiences, including analysts, case managers, and experts
- Extracted and cleaned data from varied sources for team-wide use, writing legible and simple codes
- Conducted targeted research to identify trends on a wide range of markets in support of expert report drafting, presenting findings to team and synthesizing results into memos and slide decks
- Drafted expert reports, prepared report appendices and coordinated audits of all report materials
- Trained new analysts in best practices designed to optimize agility with programming and software
- Prepared client presentations on quantitative and qualitative research for a variety of purposes, including trial testimony, project pitches, summary of survey results, and summary of targeted literature review
- (*As Analyst Intern*) Prepared and delivered presentation summarizing summer work on price-fixing model

286 Beacon Condominium Board of Trustees (Boston, MA)

Oct. 2018 - present

- Elected by owners to maintain building, oversee essential repairs, handle conflict, and manage budget
- Leader of decorating committee to organize vendor bids and incorporate owner feedback into decision-making about aesthetic repairs to building
- Co-leader of committee on condo by-laws revisions

Roaring 20s Brewery & Tap House: Start-Up Advisor (New Lebanon, NY)

Nov. 2018 - present

- Drafted business plan for brewery and in-house quality control laboratory, incorporating self-conducted market and industry research, competitor analysis, financial projections and balance sheet

Williams College: Statistics Department Teacher's Assistant

Spring 2017

- Served as TA for students in Data Mining Senior Seminar, involving weekly homework grading and biweekly office hours for students that offered additional preparation for homework/exams

Williams College: Student Math-Stat Advisory Board member

2015-2016

- Raised student awareness and engagement in current and future Math-Stat Department activities, including building renovation as well as weekly social and academic events
- Provided key feedback in hiring process of prospective faculty in expansion of Statistics Department

CRI Compliance: Administrative Intern (New York, NY)

2011-2016

- Assisted with presentation formatting and preparation, loan-file review, expert report research and editing, document indexing, and invoice preparation

SELECTED ACTIVITIES

Williams College: Junior Advisor

2015-2016

- Awarded highest student-leadership position at Williams to live alongside and mentor 23 first-year students while serving as an ambassador for the values of the College
- Responsible for students' physical and psychological well-being, including managing conflict between students, coordinating weekly meetings and social activities, and interfacing with First Year Dean

Jeunes Virtuoses de New York: Violist, Librarian & Stage Manager

2009-2013

- As one of two violists, performed classical chamber works in group of 12 NYC-area classical musicians around NYC (fall season) and the Savoie region of France (summer season) — over 60 concerts in total
- Organized and marked music, and managed performance stage operations while also performing
